The Care Center Launches New Web Site Connecticut Home Medical Equipment Store Offers Online Deals

Old Greenwich, CT, December 8, 2008 – For more than 20 years The Care Center has been committed to promoting the greatest possible independence and quality of life for people with a wide variety of functional limitations. Now, some of the finest home medical supplies can be easily ordered online 24 hours a day, 7 days a week.

“We’re pleased to be able to offer the same high-quality brands to a wider audience via our online store,” states Frank DeLuca, an industry veteran with more than 20 years’ retail home medical equipment experience. “This site allows us to serve those who cannot come to the store due to physical limitations on their driving, for example, and not have to burden their loved ones for help. They can order online and the products will be delivered right to their door.”

The Care Center offers innovative products ranging from personal care items to wheelchairs, scooters, ramps and more. All these great products can now be ordered online.

“Visitors to our new site will see we’ve made it very easy to order. Even for those who have never ordered online before. It’s a step by step process with the same friendly customer service and return policies we’re known for at the store,” says DeLuca. “We’re even offering a free online membership that entitles members to health tips, discounts and a newsletter tailored to meet their needs.”

The Care Center is available at www.TheCareCenter.com. Information and details about the service can be obtained by visiting the site or by calling 1-877-694-6324.

The Care Center has been committed to the needs of people with a wide variety of functional limitations. They offer a broad selection of high-quality medical equipment carefully suited to the personal needs of each customer. For more information, contact Mike DeLuca at 1-877-694-6324 or visit www.TheCareCenter.com.
